The Library Association of Ireland is a registered nominating body to the Cultural and Educational Panel for candidates seeking election to Seanad Éireann.

Any person seeking nomination to the panel should write in the first instance to the Honorary Secretary of the Association enclosing a current CV, a record of works to date in areas of interest to the Association and a personal statement as to the reasons why it would be appropriate for the Association to nominate them to the panel and the ways in which they would represent the Association in the Seanad if elected.

All requests for nomination to the panel will be considered by the Council of the Association. Any person seeking nomination may be asked to address Council members in order to help them reach a final decision.

The Association can choose not to exercise its right to nominate at any time.
